**TO:** Boards of Commissioners **DATE:** 08/01/18

Fresno Housing Authority AUTHOR: Emily De La Guerra

FROM: Preston Prince, CEO/Executive Director

**SUBJECT:** Fresno Housing Operating Budget as of June 30, 2018

#### **Executive Summary**

The purpose of this update is to present an overview of the financial operating results for the Fresno Housing Authority as of June 30, 2018. Please see the attached financial report for a summary of revenues and expenses by Agency division.

The financial report attachment shows the consolidation of all Agency operational budgets combined into six divisions. Projections have been incorporated into the year-to-date budget to account for the timing of cash flows and known variable expenses. These adjustments were based on historical trends and the most current information available.

The 2018 Operating Budget was approved by the Boards in December 2017 with total revenues of \$41.4 million and total operating expenses of \$38.0 million. As of June, total revenues are \$22.7 million, and total operating expenses are \$17.0 million. Net Operating Income is \$5.7 million, which means that the operating income exceeds the gross operating expenses during the first six months of the year.

| (441,488)                | (220,744)  | 2,289,191   |  |  |  |  |  |  |  |

#### **Agency Revenue**

UP - Unrestricted Properties: Agency-owned non-subsidized properties, for example Dayton, Woodside, and San Ramon (formerly known as Affordable Housing) HSM - Housing Management: Restricted, subsidized properties including all public housing, farm labor and migrant properties

AHD - Assisted Housing Division: Housing Choice Voucher, Resident Services and Homeless programs

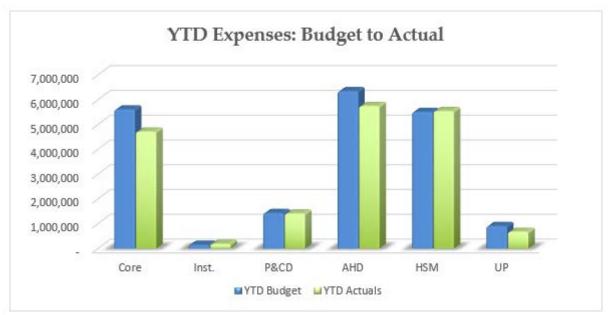

P&CD - Planning & Community Development: Real Estate Development and Construction Management departments

Inst. - Instrumentalities: Wholly-owned subsidiaries of the Agency, including HRFC, HSIC, and Silvercrest

Core: Administrative Services departments including Accounting, Executive, Human Resources and Asset Management

- Overall, year-to-date revenue is \$22.7 million, or 10%, more than the year-to-date budget, mainly due to developer fee revenue in PC&D, and non-budgeted proceeds from a lawsuit in Instrumentalities.
- Core: Admin & Management Fee Income is less than budgeted due to expense reductions in IT
  Services and Staff Development. Fees for these two services are allocated to the programs and the
  revenue is booked in Core. If there are fewer expenses, there will be less revenue and the net effect
  on the overall budget will be zero.
- Inst.: Other Income is higher than projected because of a \$1.3 million payment received from the Department of Treasury as proceeds in the case of Clearwater HA vs. U.S. This revenue was not included in the 2018 budget. The Agency will use this money for affordable housing purposes paid by the Housing Relinquished Fund Corporation (HRFC).
- P&CD: Developer Fee income is higher than anticipated due to the receipt of \$572 thousand for developer fee revenue from Edison Phase I, and waterfall payments from several projects. Other Income is higher than projected due to the prevailing wage monitoring income paid from Fresno Edison II, Parc Grove Commons III, and Magill Terrace.

#### **Agency Expenses**

UP - Unrestricted Properties: Agency-owned non-subsidized properties, for example Dayton, Woodside, and San Ramon (formerly known as Affordable Housing) HSM - Housing Management: Restricted, subsidized properties including all public housing, farm labor and migrant properties AHD - Assisted Housing Division: Housing Choice Voucher, Resident Services and Homeless programs

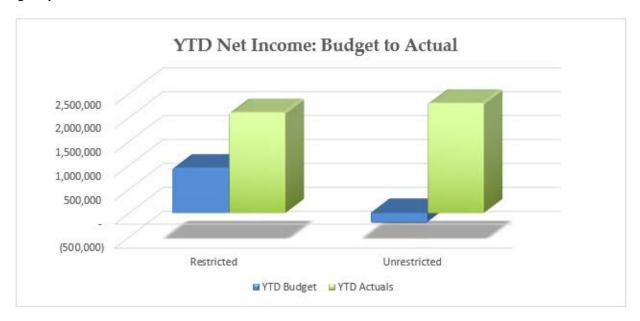

P&CD - Planning & Community Development: Real Estate Development and Construction Management departments

Inst. - Instrumentalities: Wholly-owned subsidiaries of the Agency, including HRFC, HSIC, and Silvercrest

Core: Administrative Services departments including Accounting, Executive, Human Resources and Asset Management

- Overall, year-to-date operating expenses are \$17 million and non-operating expenses are \$1.3 million, or 8%, lower than budgeted for the first six months of the year.
- **Agency-wide**: Payroll Expenses are approximately \$1.2 million, or 13%, lower than anticipated, mainly due to unfilled positions and/or planned hiring delays.
- Agency-wide: Administrative Expenses are \$547 thousand lower than budgeted across the Agency. Core shows the largest reductions in this line item, as Professional & Consulting Expenses have been less than anticipated for the sixth month of the year, as staff has strategically reduced contract costs. Staff expects that as the year progresses Professional & Consulting Fees will increase as planned projects begin and expenses are incurred. However, projections still show that there will be some nominal savings in this line item at year-end.
- Agency-wide: Utility Expenses are about 17% less than budgeted due to decreased costs for electricity and water, as temperatures have been cooler compared to previous years. We expect these costs to increase slightly over the next three months, as the weather gets warmer and the need for air conditioning and water increases.
- P&CD, AHD, & HSM: Maintenance Expenses are slightly higher than projected primarily due to more spent on specialty maintenance contracts for supplies, air conditioning, window replacements, and landscaping. The Agency will continue to monitor these expenses each month.

#### **Agency Net Income**

- Unrestricted net income is approximately \$2.5 million dollars higher than budgeted as of June 30,
   2018. This will level out throughout the year, as expenses increase and no additional developer fees are expected until July.
- Restricted net income is higher than budgeted due to the receipt of unbudgeted lawsuit proceeds in HRFC. This will remain a net positive increase to the 2018 financials throughout the year.

www.fresnohousing.org

**TO:** Boards of Commissioners **DATE:** August 9, 2018

Fresno Housing Authority AUTHOR: Aurora Ibarra

FROM: Preston Prince, CEO/Executive Director

**SUBJECT:** Update on 2018 Leasing and Housing Assistance Payments for

The Housing Choice Voucher Program

#### **Executive Summary**

The purpose of this memo is to update the Boards of Commissioners on the status of voucher leasing and Housing Assistance Payments (HAP) for the Housing Choice Voucher (HCV) program as of June 30, 2018. Overall, challenges continue to present themselves as the rental market in Fresno County tightens and demand for affordable housing units increase. Staff continues their efforts to lease up in both programs, utilizing new and innovative approaches to housing families in accordance with our mission. As in the past, we will continue to diligently monitor our HAP and voucher utilization rates and provide additional information to the Boards, as needed.

#### **City HCV**

HAP expenditures for the months of January through June totaled \$21,296,097 with current voucher utilization of 98.5%. Overall projected voucher utilization for CY 2018 is 99.2%

#### **County HCV**

HAP expenditures for the months of January through June totaled \$16,674,678, with current voucher utilization of 94%. Overall projected voucher utilization for CY 2018 is 96.3%

#### **Leasing Strategies**

As previously reported staff is working to appropriately increase leasing rates so that we can continue to serve more families, all while monitoring HAP utilization and per unit cost (PUC).

Staff worked diligently during this past month to perform an analysis of the impacts the tight rental market is having on applicants searching for affordable housing. Based on the financial capacity of the program and the information brought forward in the analysis, payment standards have been increased effective immediately for new contracts and beginning with annual

reexaminations with a November 1, 2018 anniversary date. HAP projections take into account the monthly increases in PUC as annual reexaminations are processed. Staff evaluated the impacts previous changes in payment standards had on leasing rates, such as rent burden and success rate analyses, which resulted in positive impacts to leasing. However, the rental market continues to remain a challenge for families searching for affordable housing. Staff anticipate that the increase in payment standards will allow families the ability to compete in an increasingly tight rental market.

Additional draws from the County's waiting list have been performed, exhausting the 2017 waiting list. All future draws will be performed from the 2018 interest list. There are 2,500 pre-applications remaining on the City's 2017 waiting list.

The leasing strategies previously enlisted to increase leasing will continue to be evaluated. Staff also continues to accommodate extensions on voucher search times. Staff will continue to analyze issues and trends, and adjust leasing strategies where appropriate.

## **HCV Leasing and Spending Projection**

# CA028 Two-Year Voucher Forecasting Summary 8/9/2018 Prepared for: County Board of Commissioners | Prepared by: HUD Forecasting Tool

Using the Housing Choice Voucher (HCV) Two-Year Tool, which allows a user to examine a PHA's voucher program under a variety of leasing, per-unit cost (PUC), and other key program scenarios, the attached tool estimates the program to end the current year with \$3,142,030, or 9% of budget authority. This scenario relies upon the following key variables:

| Success Rate                                 | Attrition Rate                               | Time from Issuance to HAP Effective Date    |         |  |  |  |  |
|--|--|---|---------|--|--|--|--|
| (How many issued vouchers will go to HAP)    | (What percent of partipants annually leave)  | (How fast do successful issuances lease up) |         |  |  |  |  |
| 700/   | 140/   | Leased in                                   | Percent |  |  |  |  |
| 70%  | 11%  | 0-30 Days                                   | 52%     |  |  |  |  |
| Year 1 PUC                                   | Year 2 PUC                                   | 31-60 Days                                  | 32%     |  |  |  |  |
| (Average monthly cost of a voucher - Year 1) | (Average monthly cost of a voucher - Year 2) | 61-90 Days                                  | 11%     |  |  |  |  |
| ΦE20   | ¢ECE.  | 91-120 Days                                 | 4%      |  |  |  |  |
| \$530  | \$565  | 121-150 Days                                | 1%      |  |  |  |  |

After deciding upon the above variables, the largest driver of the program revolves around the decision to issue vouchers. This scenario includes issuing 2,684 vouchers in the first year and maintaining attrition in the second year. This results in a total of 1,445 new lease-ups this year and 434 new lease-ups next year. Please see the below graph, which shows issued vouchers and associated leasing, as well as the total program UMLs, which takes into account attrition:

Under this scenario, the PHA has no offset for next year or the following year. Additionally, the higher of this year's leased units or dollars is 98.2%, indicating full leasing indicator points in SEMAP. This is an estimate. Next year, the higher of leased units or dollars is 109.7%, indicating full leasing indicator points in SEMAP. This is an estimate.

#### **Leasing Activity Update**

HAP expenditures for the months of January through June \$16,674,678 with current voucher utilization of 94.0%. Overall projected voucher utilization for CY 2018 is 96.3%. The County's 2017 waiting list has been exhausted. Future draws will be performed from the 2018 Interest List until the Final draw has been performed. Staff have worked diligently this past month to perform an analysis of the impacts the tight rental market is having on applicants searching for affordable housing. Based on the financial capacity of the program and the information brought forward in the analysis, Payment Standards have been increased effective immediately for new contracts and beginning with annual reexamination with a November 1, 2018 anniversary date.

## **HCV Leasing and Spending Projection**

## CA006 Two-Year Voucher Forecasting Summary 8/9/2018 Prepared for: City Board of Commissioners | Prepared by: HUD Forecasting Tool

Using the Housing Choice Voucher (HCV) Two-Year Tool, which allows a user to examine a PHA's voucher program under a variety of leasing, per-unit cost (PUC), and other key program scenarios, the attached tool estimates the program to end the current year with \$4,218,083, or 10% of budget authority. This scenario relies upon the following key variables:

| Success Rate                                 | Attrition Rate                               | Time from Issuance to HAP Effective Date |                             |  |  |  |  |
|--|--|--|-----------------------------|--|--|--|--|
| (How many issued vouchers will go to HAP)    | (What percent of partipants annually leave)  | (How fast do successful                  | cessful issuances lease up) |  |  |  |  |
| 700/   | 110/   | Leased in                                | Percent                     |  |  |  |  |
| 70%  | 11%  | 0-30 Days                                | 52%                         |  |  |  |  |
| Year 1 PUC                                   | Year 2 PUC                                   | 31-60 Days                               | 32%                         |  |  |  |  |
| (Average monthly cost of a voucher - Year 1) | (Average monthly cost of a voucher - Year 2) | 61-90 Days                               | 11%                         |  |  |  |  |
| ΦΕΩ4   | <b>#</b> F.C.C                               | 91-120 Days                              | 4%                          |  |  |  |  |
| \$531  | \$566  | 121-150 Days                             | 1%                          |  |  |  |  |

After deciding upon the above variables, the largest driver of the program revolves around the decision to issue vouchers. This scenario includes issuing 1,170 vouchers in the first year and 2,700 in the second year. This results in a total of 711 new lease-ups this year and 1,730 new lease-ups next year. Please see the below graph, which shows issued vouchers and associated leasing, as well as the total program UMLs, which takes into account attrition:

Under this scenario, the PHA has no offset for next year or the following year. Additionally, the higher of this year's leased units or dollars is 100.1%, indicating full leasing indicator points in SEMAP. This is an estimate. Next year, the higher of leased units or dollars is 106.3%, indicating full leasing indicator points in SEMAP. This is an estimate.

#### **Leasing Activity Update**

HAP expenditures for the months of January through June \$21,296,097 with current voucher utilization of 98.5%. Overall projected voucher utilization for CY 2018 is 99.2%. There are 2,500 pre-applications remaining on the City's 2017 waiting list. Staff have worked diligently this past month to perform an analysis of the impacts the tight rental market is having on applicants searching for affordable housing. Based on the financial capacity of the program and the information brought forward in the analysis, Payment Standards have been increased effective immediately for new contracts and beginning with annual reexamination with a November 1, 2018 anniversary date.

**TO:** Boards of Commissioners **DATE:** 08/08/18

Fresno Housing Authority AUTHOR: Emily De La Guerra

**FROM:** Preston Prince

CEO/Executive Director

**SUBJECT:** Expenditure Update April 2018- June 2018

#### **Executive Summary**

The purpose of this update is to provide the Boards of Commissioners with information regarding significant vendor expenditures for the second quarter of 2018. This information was previously provided to the Board in May 2018 and will be included in future Board Updates on a quarterly basis.

Attached is a list of vendors to whom the Agency paid over \$50,000 between April and June 2018. Not included on this list are expenses tied to real estate development, as these expenditures have been approved by the Boards in various actions. This list includes payments made by the Housing Authority and affiliated limited parternships.

Please see the table on the next page.
