SUBJECT: Consideration of the Contract with Novogradac & Company LLP
for Tax Credit CPA and Annual Audit Services (*cont'd from October 23, 2018*)

Executive Summary

The purpose of this memo is to seek the Boards of Commissioners' approval to extend the contract between the Fresno Housing Authority and Novogradac & Company LLP (Novogradac). The Agency currently has a contract with Novogradac to provide services for tax credit CPA and annual audit services for the Agency's instrumentalities and affiliated entities. Staff is requesting that the contract be extended to cover the year ending December 31, 2018. This will be the second extension of the contract and will be valid from November 1, 2018 through October 31, 2019.

The Boards of Commissioners originally approved the contract on October 25th, 2016, for an amount not to exceed \$23,000, for the audits and tax returns for the Housing Relinquished Fund Corporation (HRFC), the Housing Self-Insurance Corporation (HSIC), Silvercrest, Inc., Villa del Mar, Inc., Pacific Garden Enterprises, and Housing Connections & Compliance, Inc. Staff will also be asking the Silvercrest Board of Directors to consider and approve the contract for the Tax Credit Limited Partnerships for which Silvercrest is the Managing General Partner.

Recommendation

It is recommended that the Boards of Commissioners authorize the CEO/Executive Director, or his designee, to extend the contract with Novogradac & Company LLP from November 1, 2018 through October 31, 2019 in the amount of \$23,000.

Fiscal Impact

The fiscal impact of this items will be \$23,000 in fiscal year 2019. The cost of each audit is borne by the each specific entity and will be included in their respective 2019 budgets.

Background

In June 2016, the Agency published an RFP to solicit proposals from qualified certified public accounting firms to perform tax credit CPA and audit services.

The services requested in the RFP included many requirements that are specific to the Low-Income Housing Tax Credit (LIHTC) program, including:

- Audits and Tax Returns for Tax Credit Limited Partnerships, also known as Single-Purpose Entities,
- Tax Returns for the Limited Liability Corporations associated with those Limited Partnerships,
- Eligible Tax Basis, Qualifying Project Certifications, and Cash Flow Analysis for specific projects during the California Tax Credit Allocation Committee (CTCAC) application period, and
- Required certifications for CTCAC, including 10% Tests, Carryover Allocation Documentation, Cost Certification Statements, Final Cost Certifications/Verifications of Sources and Uses, and Placed-In-Service Packages.

In response, the Agency received proposals from six (6) firms: CliftonLarson Allen LLP, CohnReznick LLP, Eide Bailly LLP, Novogradac & Company LLP, Rubino & Company Chartered, and Smith Marion & Company LLP. The RFP methodology considers both technical factors and price when evaluating a proposal. Awards are based on the proposal that represents the best overall value when considering both price and other factors including technical expertise, successful past performance, quality of proposed staffing, etc. Based on this assessment, the selection committee consisting of staff from Finance, Development, Asset Management and two third-party property management companies, recommended Novogradac & Company LLP for award being the top-rated proposer overall.

In October 2016, Novogradac was selected as the successful proposer due to many factors, including their specific technical knowledge of tax credit requirements, multi-family housing audit procedures, and taxation rules for tax credit investment instruments, limited partnerships, limited liability corporations and non-profit entities. The Boards of Commissioners originally approved the contract with Novogradac & Co LLP on October 25th, 2016 for an amount not to exceed \$23,000 annually, for a total potential not to exceed amount of \$115,000.

SUBJECT: Consideration of Contract Extension with Davis Farr LLP for Independent Audit Services (*cont'd from October 23, 2018*)

Executive Summary

The purpose of this memo is to seek the Boards of Commissioners' approval to extend the contract between the Fresno Housing Authority and Davis Farr LLP. The Agency currently has a contract with Davis Farr LLP to provide services for the annual Basic Financial Statement audits of the Housing Authority of the City of Fresno and the Housing Authority of Fresno County, which includes all Agency instrumentalities, for year ending December 31, 2018. This will be the third extension of the contract and will be valid from December 15, 2018 through December 14, 2019.

The Boards of Commissioners originally approved this contract on September 22, 2015 with an annual contract amount of \$125,000. The contract was modified for an additional \$19,100 in November 2016 to provide supplementary audit services for Garland Gardens, Parkside Apartments, and an internal control review. The new contract amounts are not to exceed \$144,100 per year. Davis Farr was originally selected as the successful proposer due to many factors, including their specific technical knowledge of Housing Authority audit requirements, HUD grant compliance, and governmental accounting and internal control standards.

Recommendation

It is recommended that the Boards of Commissioners authorize the CEO/Executive Director, or his designee, to extend the contract with Davis Farr LLP from December 15, 2018 through December 14, 2019 for an amount not to exceed \$144,100.

Fiscal Impact

The fiscal impact of the contract extension will be no more than \$144,100 in fiscal year 2019, per our contract limits. This amount will be paid by the Housing Authority and will be included in the 2019 Agency Operating Budget.

Background

In October of 2014, the Agency published an RFP to solicit proposals from qualified certified public accounting firms to perform the Agency's annual financial statement audits. In response, the Agency received proposals from nine

(9) firms: Mayer Hoffman McCann P.C. (now doing business as Davis Farr LLP), Barman Hopkins Wright & LaHam CPAs LLC, CliftonLarson Allen LLP, CohnReznick LLP, Macias Gini & O'Connell LLP, Novogradac and Company LLP, Rector Reeder & Lofton P.C., Smith Marion & Company LLP, and Wallace Rowe & Associates.

The RFP methodology considers both technical factors and price when evaluating a proposal. Awards are based on the proposal that represents the best overall value to the Agency when considering both price and other factors including technical expertise, successful past performance, quality of proposed staffing, etc. Based on this assessment, the selection committee consisting of staff from Finance, Housing Management, and Assisted Housing (HCV), recommended Mayer Hoffman McCann P.C. (MHM, now doing business as Davis Farr LLP) for award being the top-rated proposer overall, and offering the best price of the top-three rated proposers.

On December 10, 2014 a Notice of Successful Proposer was distributed to the firms that submitted proposals outlining The Agency's intent to enter into a contract with Mayer Hoffman McCann P.C. (now doing business as Davis Farr LLP) prior to the start of the audit for the year ending December 31, 2015. In May of 2015, however, Agency staff received notification from the audit engagement partner of MHM that the government auditing segment of the firm was in the process of separating from MHM to become a stand-alone firm by the name of Davis Farr LLP. As a result of this transaction, the government audit practice that was formerly conducted under the name of Mayer Hoffman McCann P.C. is now operating under the name of Davis Farr LLP, a separate audit firm independent of MHM.

As the awarded firm's change in legal structure preceded the actual execution of a contract pursuant to the procurement process undertaken by the RFP, Agency staff sought assurance that Davis Farr LLP is essentially the same as MHM's former government auditing segment, and would have been awarded the RFP had the transition occurred prior to submission of the proposal, when weighed by the same qualitative metric put forth in the Agency's RFP. Staff's inquiries revealed that Davis-Farr offered equivalent credentials, similar experience and similar technical capabilities compared to MHM. Davis Farr would also provide continuity of audit staff and resources, just as proposed by MHM. Moreover, Davis Farr has reviewed the proposal originally submitted by MHM and has confirmed that they will honor the same terms, conditions and pricing that resulted in MHM being selected for the award. On August 30, 2015, Marc Davis, audit principal of Davis Farr LLP, provided to the Agency a memorandum detailing his acceptance of the assignment of the audit contract to his newly established firm.

On September 22, 2015, the Boards of Commissioners for the Fresno Housing Authority approved the contract between the Agency and Davis Farr LLP for the Agency's annual Basic Financial Statement audits for an initial term of one year, with the option to renew for an additional four (4) one (1) year periods. This is the third extension of the contract, with one extension remaining.

SUBJECT: Approval to Renew Administration of City of Fresno HOME
Tenant Based Rental Assistance (HOME TBRA) program

Executive Summary

The City of Fresno has again requested that Fresno Housing administer the HOME Tenant Based Rental Assistance program (HOME TBRA); an entitlement program to the City of Fresno from the U.S. Department of Housing and Urban Development. The previous grant term encompassed January 1, 2017 – September 30, 2018; FH is currently providing services under a contract extension until October 31, 2018. The purpose of the HOME TBRA program is provision of rental subsidy to very low and extremely low income persons experiencing homelessness. In this iteration, the program is intended to assist approximately 120 households with six (6) to twenty-four (24) months of rental assistance in housing that is decent and safe, with strategies to gain self-sufficiency and prevent return to homelessness. Funding for this program is at \$1,332,618 and is intended to run for twenty-four (24) months – January 1, 2019 – December 31, 2020.

In administering this project, it is the intent of FH to utilize its expertise in administering rental assistance programs particularly appropriate to the needs of households experiencing homelessness.

Recommendation

It is recommended that the Board of Commissioners of the Housing Authorities of the City and County of Fresno adopt the attached resolution authorizing: (a) the renewal of administration of the City of Fresno HOME TBRA, (b) negotiation and execution, by the Executive Director or his designee, of any resulting contract(s), and associated amendments; (c) to incorporate the new funding into the HACCF approved Fiscal Years 2019 and 2020 budgets when agreement is executed; and (d) to hire related personnel to administer the program(s) in accordance with the funding requirements.

Fiscal Impact

This grant is an entitlement from the U.S. Department of Housing and Urban Development (HUD) to the City of Fresno. Housing assistance – which will include rental assistance payments and security/utility deposit costs – are budgeted at \$1,199,446. Administrative costs to include staff salary and benefits and indirect costs are budgeted at \$133,272 and will cover 100% of costs to administer this grant. HOME TBRA does not required match funding; the City of Fresno traditionally receives a waiver from HUD due to Census Bureau data documenting extreme poverty levels in Fresno.

Background

Since 2014 the City of Fresno allocated \$1.7 million of HOME dollars to support the community's efforts around homelessness. Fresno Housing has been selected to partner with the City to administer HOME TBRA due to agency expertise and leadership in projects such as H Street De-Encampment Pilot Program, Fresno First Steps Home de-encampment and successful administration of HUD Continuum of Care permanent supportive housing programs. Since administration of HOME TBRA, FH has been able to provide rental assistance to approximately 200 households.

With grant funding of \$1,332,718 for two years, FH will continue the work of housing those experiencing homelessness. Over the two year period, FH is expected to assist approximately 120 households with rental assistance of six (6) to twenty-four (24) months dependent on needs assessment. HOME TBRA will primarily work with those deemed less vulnerable by the the community assessment tool – Vulnerability Index Services Prioritization Decision Assistance Tool (VI-SPDAT). The program intentionally targets the less vulnerable as a means to provide a multitude of housing options available to the community – from a less intensive to more intensive housing and services model.

AGENDA ITEM: 5f
AUTHOR: Blanca Navarro

SUBJECT: 2019 Proposed Utility Allowance Schedules – HUD Housing Assistance Programs and Low Income Housing Tax Credit

Executive Summary

This memo provides an update to the annual Utility Allowance (UA) rates for the following programs:

- Low Income Public Housing (LIPH) [24 CFR 965.507]
- Housing Choice Voucher (HCV-Section 8) [24 CFR 982.517 (c)]
- Multi-Family Project Based Rental Assistance (MF-PBRA/RAD) [HUD Notice H-2015-04]
- Mixed Finance Properties [24 CFR 965.507 and IRC Section 42]
- Low Income Housing Tax Credit (LIHTC) Internal Revenue Code Section 42 (IRC Section 42)

In accordance with applicable U.S. Dept. of Housing and Urban Development (HUD) program regulations, Public Housing Authorities (PHAs) of LIPH and/or HCV programs must review the UA schedules annually and revise allowances if there has been a change of 10% or more in the utility rate since the last UA schedule revision. Based on the study results of the annual review, there was an increase in utility charges for some localities and utility services of more than 10% from 2018, thus revisions will be implemented for 2019 in accordance with program requirements.

HUD requires PHAs to provide Individual Relief [24 CFR 965.508] for medical equipment allowance for residents residing in public housing units and HCV participants. Individual Relief is where a resident may request relief from payment of utility supplier billings in excess of the Utility Allowance for resident paid utilities. Management may grant such request on reasonable grounds such as the special needs of elderly, ill, or disabled, or special factors affecting utility usage, such as use of required medical equipment.

The UA charts/schedules for the LIPH and HCV programs are for informational purposes only and do not require Board approval. The changes for both programs are effective January 1, 2019. Public Housing residents received a 60-day notice of the proposed changes, per HUD requirements, at the end of October.

In accordance with HUD Notice H-2015-04, Owners of Multi-Family PBRA Programs are required to review the UAs every three (3) years to establish a baseline for each bedroom size. For the two (2) years after a baseline utility analysis is completed, the UA amount for each bedroom size and each utility at the property can be adjusted by a state-specific increase factor. The Utility Allowance Factor (UAF) is provided by HUD. The UA schedule is approved by HUD for the Multi-Family PBRA programs in accordance with the Housing Assistance Payment (HAP) contract anniversary. These charts are informational only and do not require Board approval.

Projects developed under the Internal Revenue Code (IRC) Section 42, LIHTC program, similar to HUD, United States Department of Agriculture (USDA) and several other agencies' programs, require the implementation of a utility (electric, gas, and water/sewer/garbage) allowance for use in calculating individual tenant subsidies for affordable housing. The LIHTC UA schedules are made available to developers of LIHTC properties throughout Fresno County, including the Fresno Housing Authority (FH). The California Tax Credit Allocation Committee (CTCAC) has provided guidance to LIHTC developers to refer to the local Public Housing Authority (PHA) as an alternative to obtain current utility allowance schedules. CTCAC requires PHAs to formally take Board action to approve the LIHTC utility allowances.

Due to the complexity of the data required to develop the utility allowances for the various programs, the Agency contracted with the Nelrod Company of Fort Worth, Texas, to develop these allowance charts/schedules. The studies were conducted in compliance with the applicable program requirements.

The Nelrod Company has prepared and recommended the attached utility allowance charts/schedules for the applicable programs for Fresno City and County as attached and referenced as such.

Recommendation

It is recommended that the Board of Commissioners of the Fresno Housing Authority adopt the LIHTC utility allowance rates (Group A, Schedule A.1, and Chart A.2) for new construction, rehabilitation multi-family complexes and mixed finance projects in Fresno County for units developed under IRC Section 42 (LIHTC), to be effective January 1, 2019.

Fiscal Impact

The utility allowance is factored into the rent calculation formula, for the properties, therefore, there is no direct financial impact to the Agency; there may be minimal financial impact to the resident.

Background Information

The Department of Housing and Urban Development's (HUD) Office of Public and Indian Housing Authorities (PIH) and Owners of Multi-Family housing properties that receive subsidy assistance, and for which HUD provides a utility allowance, are required to review and adjust as needed their properties' utility allowances at least every year. The utility adjustment must be supported by a utility analysis. The adjustments for Low Income Public Housing and Housing Choice Voucher programs must be revised if there has been a change of 10% or more in the utility rate since the last UA schedule revision. The adjustments must be made for Multi-Family housing properties regardless of whether the utility analysis shows an increase or a decrease.

Owners of properties financed with Low Income Housing Tax Credits (LIHTC) must limit rents and incomes to no more than 60% of the Area Median Income (AMI) numbers published annually by HUD. Owners must include the cost of all resident paid utilities in the gross rent charged. To do this, they must obtain annual utility cost estimates for buildings in their LIHTC affordable housing property. Owners may obtain annual allowances from Public Housing Authorities that have jurisdiction, or in California, owners may utilize the California Utility Allowance Calculator developed by the California Energy Commission.

Oxygen Concentrator

Use per day varies, assume 12-14 hours a day. The 5-Liter model uses 400 W, the 3-Liter model uses 320 W.

Nebulizer

A medicine delivery system used mostly for pediatric care. Used 4-6 times a day for 20 minutes at a time at 75W.

Semi/Fully Electric Hospital Bed

Use depends on adjustments. 200 W.

Alternating Pressure Pad

An air-filled mattress overlay. Used 24 hours a day for someone who is bed-ridden.

Low Air-Loss Mattress

Takes the place of mattress - air -filled pressurized mattress. Cycles air around every 15-20 minutes.

Power Wheelchairs and Scooters

Need to be charged approximately 8 hours every 3 days. Batteries are 120 V, 3 Amp, 360 W.

Feeding Tube Pump (Continuous Feed)

A pump delivers a constant amount of formula throughout the day or night.

CPAP Machine

For Sleep Apnea. Runs only at night for people who have a tendency to stop breathing at night. At maximum pressure use is 40 Watts. On average - 30 Watts

Leg Compression Pump

Provides intensive compression therapy. Use varies, generally from 8-24 hours daily.

Dialysis Machine/Equipment (Small/Portable)

Filters a patient's blood to remove excess water and waste products. Used 2 hours daily.

SUBJECT: Approval of an HRFC Loan Commitment of up to \$500,000 for
Pre-Development Funds for Parlier Orchard Apartments
(cont'd from October 23, 2018)

Executive Summary

At the September 25, 2018 Board Meeting, the Boards approved accepting an award of 9% Low-Income Housing Tax Credits (LIHTC) from the California Tax Credit Allocation Committee (CTCAC) for the Parlier Orchard Apartments development. On October 9, 2018, the Fresno Housing Authority (FH) submitted an executed Preliminary Reservation Letter to CTCAC accepting the award. The deadline to close on financing and begin construction is April 1, 2019.

As part of the next steps in the pre-development process, financing is necessary for costs that will be incurred prior to financial closing. Pre-development expenses will include a variety of costs related to the Parlier Orchard Apartments development, such as the cost of environmental reports, appraisals, architectural fees, TCAC application fees, etc. Although we have financing commitments for permanent and construction financing, funds are not made available until all diligence is complete and the close of financing occurs in March 2019. At the financial closing, the FH pre-development expenses will be fully paid.

At this time, it is requested that the Boards of Commissioners approve an interim pre-development loan of up to \$500,000 from the Housing Relinquished Fund Corporation to be repaid from construction sources.

Fiscal Impact

Staff is requesting a pre-development loan commitment of up to \$500,000 from the Housing Relinquished Fund Corporation sufficient to cover pre-development expenses associated with the rehabilitation and redevelopment of the Parlier Orchard Apartments. Loan funds disbursed will be repaid at financial closing from construction sources. The pre-development loan will carry 5% interest.

Recommendation

It is recommended that the Boards of Commissioners of the Fresno Housing Authority adopt the attached resolution authorizing a pre-development loan commitment of up to \$500,000 from the Housing Relinquished Fund Corporation for expenses incurred in the pre-development phase of the Parlier

Orchard Apartments project and authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, and/or their designee, to negotiate and execute documents in connection with the approved actions.

Background

The Parlier Orchard Apartments development aligns with the Boards' strategic priority of converting FH's real estate portfolio into new and/or rehabilitated affordable housing complexes. Parlier Orchard Apartments is an existing multi-family residential USDA Farm Labor development consisting of 40 affordable housing units on approximately 3.29 acres located at 295 S. Newmark Avenue, Fresno, California. The site was constructed in 1987 and consists of 13 buildings. FH is proposing a rehabilitation project that will include several amenities and secure new long-term financing. These upgrades include but are not limited to flooring, carpeting, cabinetry, doors, lighting, bathroom and kitchen fixtures, dishwashers, heating/cooling, and roofing upgrades. As part of FH's efforts to achieve greater energy efficiency within our communities, all appliance upgrades will comply with current energy standards. The development would include a mix of two-to-four bedroom units and would have affordability levels ranging from 30% to 80% of the area median income.

Loan funds disbursed will be repaid at financial closing from construction sources. The pre-development loan will carry 5% interest.

Recommendation

It is recommended that the Boards of Commissioners of the Fresno Housing Authority adopt the attached resolution authorizing a pre-development loan commitment of up to \$500,000 from the Housing Relinquished Fund

Corporation for expenses incurred in the pre-development phase of the Mariposa Meadows project and authorize Preston Prince, CEO/Executive Director, Tracewell Hanrahan, Deputy Executive Director, and/or their designee, to negotiate and execute documents in connection with the approved actions.

Background

Mariposa Meadows is an existing multi-family residential USDA Farm Labor development consisting of 40 affordable housing units on approximately 5.39 acres located at 1011 W. Atchison Avenue, Fresno, California. The site was constructed in 1991 and consists of 20 duplex buildings and 1 Common Area/Laundry Facility Building. FH is proposing a rehabilitation project that will include several amenities and secure new long-term financing. These upgrades include but are not limited to flooring, windows, carpeting, cabinetry, doors, lighting, bathroom and kitchen fixtures, dishwashers, heating/cooling, and roofing upgrades. As part of FH's efforts to achieve greater energy efficiency within our communities, all appliance upgrades will comply with current energy standards. The development would include a mix of two-to-five bedroom units and would have affordability levels ranging from 30% to 80% of the area median income.

SUBJECT: Approval to enter into a Conditional Purchase and Sale Agreement
with the City of Huron for Vacant Land (APN: 075-330-02T)
(cont'd from October 23, 2018)

Summary

At the May 23, 2018 Board meeting, staff presented the Boards with a potential mixed-use land development opportunity in the City of Huron. The City of Huron is interested in partnering with the Fresno Housing Authority (FH) to develop a vacant parcel of land within their city due to the quality of the Agency's recent real estate developments in other jurisdictions across the County, like Kingsburg and Reedley. Developing said land also advances the Agency's strategic goals of creating local partnerships within the county, and adding to the supply of quality affordable housing through the construction of new units in underserved rural areas. Both the City of Huron and FH believe that this potential new development has the opportunity to revitalize a portion of the City while providing high quality affordable housing for the area's residents.

The Board approved acceptance of a deed transfer of the property from the Successor Agency to the Redevelopment Agency for the City of Huron and authorized Staff to negotiate the terms of a Development Agreement with the Successor Agency. Though the parcel is comprised of 9.68 acres, discussions are in reference to the northernmost 6 acres of the property. A city park is planned for the balance of the property.

The outcome of the negotiations with the Successor Agency is a proposed Conditional Purchase and Sale Agreement ("Agreement") for the property. The terms of the Agreement include: a reduction in impact fees from the City of Huron, the intention to develop 50-80 units of housing, as well as an intention to include commercial space that may be utilized by the City of Huron for administrative/public purposes. The Agreement is in reference to the land and would cost the Agency \$1 to acquire, and the Lease Agreement is in reference to the City of Huron leasing the development's anticipated commercial space for \$1 a year. The City would be responsible for paying any/all operation costs associated with the leased space. The purchase of the property would be subject to financing and other due diligence including a satisfactory review under the California Environmental Quality Act and the National Environmental Policy

Act. As the scope of the project is further defined and additional due diligence is completed, staff will return to the Boards for any additional approvals related to the proposed development. The development will be contingent upon many approvals including an allocation of Low-Income Housing Tax Credits.

Fiscal Impact

The purchase price for the parcel is one dollar (\$1.00). Professional fees for performing pre-development activities and reports will be allocated to the approved pre-development budget. A financial commitment request will be presented to the Board following a more developed financing plan.

Recommendation

It is recommended that the Board of Commissioners approve FH to enter into a Conditional Purchase and Sale Agreement with the City of Huron to acquire for \$1.00 and develop vacant land (APN 075-330-02T), and authorize Preston Prince, Executive Director/CEO, Tracewell Hanrahan, Deputy Executive Director, and/or their designee to negotiate said agreement.

Background

Fresno Housing is partnering with the City of Huron to develop a mixed-use property in the downtown area of Huron that will consist of affordable, multi-family units and 2,500-3,500 square feet of commercial space that could be leased by the local municipality for civic space. FH currently owns and manages 64 units of public housing elsewhere in Huron (between Cazares, Cazares II, and Huron Apartments); however, said units were constructed several decades ago and are in need of substantial repair. In combination with this development opportunity, FH is exploring the possibility of utilizing HUD's RAD Program to allow residents of the current public housing site to transfer their assistance to the newly-constructed site and the subsequent repositioning of the current public housing in Huron. FH has used the Transfer of Assistance concept in several other developments throughout the county to provide residents with more options and facilitate the redevelopment of the housing.

SUBJECT: Boys & Girls Clubs of Fresno Agreement 2019

Executive Summary

Fresno Housing (FH) and Boys & Girls Clubs of Fresno County (B&GC) has had a long partnership in provision of educational, social, recreational and character building services to youth and their families in public housing. B&GC currently provides after-school programming and youth development services in or near the following FH County residential communities: Del Rey, Firebaugh, Huron, Mendota, Orange Cove, Parlier, Pinedale, Reedley and Sanger. In the City, B&GC in East, West, Central and South Fresno, including Clovis are available for services to youth and their families.

FH allocates financial support to B&GC to support activities made available to FH public housing youth and families. Beginning in 2017, FH worked collaboratively with B&GC to create Work Plan Agreements; detailing performance expectations of B&GC activities and participation of FH youth and families. Activities are in the realms of Education, Wage Progression and Health and Wellness. At the October 2018 Board of Commissioners meeting, B&GC staff presented outcomes of their efforts, where results were, for the most part, either close to or above stated goals.

Similar Work Plans will be completed by January 1, 2019 and reflect the Boards' direction to include more impactful outcomes.

The information provided below includes both the Fresno Housing Authority commitments and the agreements with the Limited Partnerships (LPs). The LP commitments are not part of the overall agency budget, however, the information is included to provide a full scope of contracted services to the B&GC.

Funding

The following table outlines the two (2) proposed FY2019 agreements directly between the Fresno Housing Authority and Boys & Girls Clubs of Fresno County.

Contract	Budget	Change from 2018
City	\$57,173	-\$12,550
County	\$187,347	-\$29,581
TOTAL	\$244,520	-\$42,131

The following table outlines the seven (7) FY2019 agreements directly between the Limited Partnerships and Boys & Girls Clubs of Fresno County.

Contract	Budget
Mendota RAD	\$9,500
Orange Cove RAD	\$15,960
Southeast Fresno RAD	\$11,000
Viking Village RAD	\$5,700
Yosemite Village, LP	\$12,550
Blossom Trail, LP	\$13,558
Oak Grove, LP	\$16,023
TOTAL	\$84,291

As shown, funding for the County contract was reduced by \$29,581; from the City contract \$12,550. Analysis of data provided by the B&GC and our current resources determined that reductions were necessary and attributable to the changes in our housing portfolio and associated financial resources. Two properties in the County and one in the City no longer have access to the public housing operating funds which previously supported the B&GC contracts. The newly established Limited Partnerships (LPs) associated with those properties has committed to provide some financial compensation to B&GC from its corresponding FY2019 budget to reduce financial impact to our partner. You will see this shift listed under the LP commitments.

Sources of Funding

County LIPH Operating Funds and/or Reserves	City LIPH Operating Funds and/or Reserves	Limited Partnerships
Del Rey	Sequoia Courts	Orange Cove, RAD, LP
Huron	Sequoia Courts Terrace	Mendota RAD, LP
Pinedale	Fairview Heights Terrace	Viking Village RAD, LP
Reedley	Sierra Plaza	Southeast Fresno RAD, LP
Firebaugh	DeSoto Gardens	Blossom Trail, LP

Recommendation

It is recommended the Board of Commissioners of the Housing Authority of the City of Fresno and the Board of Commissioners of the Housing Authority of Fresno County adopt the attached resolutions authorizing (a) execution of Service Agreements between FH and B&GC for the amounts noted above for 2019. Said agreements will include but not be limited to operating terms of January 1, 2019 to December 31, 2019 and work plans with goals and outcomes aligning to FH priorities of Education, Wage Progression and Health and Wellness.

Fiscal Impact

Low Income Housing Program Operating Funds and Limited Partnerships as stated above support the contracted amounts.

Background Information

B&GC is a well-respected nonprofit in the Fresno community providing the promotion of youth excellence in education and citizenship and prevention of risky behaviors; FH has enjoyed a long partnership with the organization. Nationally B&GC have found success in their National Youth Outcomes Initiative, based on the philosophy that a positive Club experience leads to academic success, good character and citizenship and healthy lifestyles. Locally, B&GC follows this model with similar successful outcomes. FH and B&GC staff will complete work Plan Agreements for 2019 by January 1, 2019; with the goal of increasing FH youth and family participation and increasing opportunities for partnership with school districts.

9.1.4.2 Repay to the Agency the amount ordered;

Either option shall be completed within ten (10) days after the contractor's receipt of the arbitrator's decision.

10.0 Binding Arbitration/Dispute Resolution. Any and all (material and non-material) disputes or controversies between the parties hereto involving either: (1) the construction or application of any of the terms, covenants or conditions of this Agreement or (2) otherwise arising in any respect with regard to this Agreement, or (3) relating to, arising out of, or resulting from either this Agreement, the performance of this Agreement, or the lack of performance of this Agreement, and/or (4) in any other manner relating to or involving this Agreement, shall not be litigated in any federal or

state court or before any state, federal or administrative agency, but rather shall upon written request of one party served on the other be submitted and shall be solely and exclusively resolved by “final and binding” arbitration before a neutral retired Judge, which arbitration shall comply with and be governed by the provisions of the California Arbitration Act (CCP §§1280, et seq.) This Arbitration Agreement constitutes a waiver of any right to a jury trial; and it also waives any right to proceed before any federal or state court or any federal or state administrative agency with regard to the disputes resolution. Said waivers are agreed to because the parties hereto prefer neutral and binding arbitration over any other means of dispute resolution. The neutral (retired Judge) arbitrator shall be mutually agreed upon by the parties; if such an Agreement is not promptly forthcoming, then the retired Judge to serve as arbitrator shall be selected by the Superior Court in accordance with the California Arbitration Act. The Arbitration hearing shall be conducted before a Certified Court Reporter and shall take place in the County of Fresno unless otherwise agreed by both parties. The hearing before the arbitrator of the matters to be arbitrated shall be at a time and place within the County of Fresno as selected by the Arbitrator. The Arbitrator shall select such time and place promptly after his/her appointment, and the arbitrator shall give written notice thereof to each party at least thirty days prior to the date so fixed. The arbitrator shall follow California substantive and procedural law; except only at the hearing, any relevant evidence may be presented by either party, and the formal rules of evidence applicable to judicial proceedings (in the sole discretion of the arbitrator) need not govern, so that evidence may be admitted or excluded in the discretion of the arbitrator as long as it is trustworthy. The arbitrator shall hear and determine the matter and shall execute and acknowledge the award in writing explaining the basis for his/her ruling. The Arbitrator shall cause a copy of the award to be delivered to each of the parties within twenty (20) calendar days after the conclusion of the evidentiary hearing, unless otherwise agreed by the parties. Said award shall follow California substantive and procedural law. All the arbitrators’ fees and all of the certified court reporter’s fees (for daily attendance and for providing the arbitrator with the original transcript) shall be shared equally (50/50) by the parties; and all the parties shall bear their own legal fees and their own litigation costs and expenses.

- 10.1 Breach.** Notwithstanding the foregoing, it is hereby agreed and understood that, in the event that if a party to this Agreement breaches or threatens to breach this Agreement, then the other party to the Agreement may seek and obtain an injunction and/or any other equitable relief necessary from a state or federal court of competent jurisdiction, so as to order the continuance of the party’s performance under this Agreement, pending the results of the aforementioned arbitration proceeding.

- 10.2 Mediation.** Further, notwithstanding the foregoing, it is agreed that prior to appearing before and conducting the aforementioned binding arbitration hearing, the parties shall engage in a fully privileged and confidential Mediation before a neutral retired Judge. The Mediator retired Judge shall be a different person from the arbitrator retired Judge unless the parties stipulate otherwise. The Mediator shall be mutually selected by the parties; however, if they are unable to agree, then the Mediator shall be selected by the arbitrator. The Mediator's fees and costs shall be shared equally by the parties. Communications during the Mediation process shall remain confidential and barred from introduction into evidence at the arbitration pursuant to the provisions of California Evidence Code §§ 1152 and 1119 and Fed. Rules of Evidence, Rule 408.
- 10.3 Petition to Compel Arbitration, and/or Petition To Enforce The Arbitrator's Award.** Notwithstanding anything herein to the contrary, if either party to this Agreement brings any court action or proceeding to either compel arbitration or to enforce an arbitration award, then the prevailing party shall be entitled to recover reasonable attorneys' fees as well as costs and expenses. The arbitration process itself is not an action or proceeding for purposes of this Agreement.
- 11.0 24 CFR 85.36(i), Procurement.** Pursuant to this CFR, as issued by the Office of the Secretary, HUD, the Agency and the Contractor each agree to comply with the following provisions:
- 11.1 Remedies for Contractor Breach.** Pertaining to contract-related issues, it is the responsibility of both the Agency and the contractor to communicate with each in as clear and complete a manner as possible. If at any time during the term of this contract the Agency or the contractor is not satisfied with any issue, it is the responsibility of that party to deliver to the other party communication, in writing, fully detailing the issue and corrective action (please note that the Agency has the right to issue unilateral addendums to this contract, but the contractor does not have the same right). The other party shall, within ten (10) days, respond in writing to the other party (however, the Agency shall retain the right to, if conditions warrant, require the contractor to respond in a shorter period of time). Further, the Agency shall, at a minimum, employ the following steps in dealing with the contractor as to any performance issues:

- 11.1.1** If the contractor is in material breach of the contract, the Agency may promptly invoke the termination clause detailed within Form HUD-5370-C (10/2006), *General Conditions for Non-Construction Contracts, Section I— (With or without Maintenance Work)*, which is attached hereto, and terminate the contract for cause. Such termination must be delivered to the contractor in writing and shall fully detail all pertinent issues pertaining to the cause of and justification for the termination.
- 11.1.2** Prior to termination, the Agency may choose to warn the contractor, verbally or in writing, of any issue of non-compliant or unsatisfactory performance. Such written warning may include placing the contractor on probation, thereby giving the contractor a certain period of time to correct the deficiencies or potentially suffer termination. The Agency shall maintain in the contract file a written record of any such warning detailing all pertinent information. If the contractor does not agree with such action, the contractor shall have ten (10) days to dispute or protest, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency's alleged incorrect action(s).
- 11.1.3** After termination, if the contractor does not agree with the Agency's justification for the termination, the contractor shall have ten (10) days to dispute, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency's alleged incorrect action(s).
- 11.1.4** The response to any protest received shall be conducted in accordance with Section No. 4.0 of the *Instructions to Proposers and Contractors* document.
- 11.2 Termination For Cause and Convenience.** Notwithstanding any other provision of this Contract, the parties agree that the Agency may terminate this agreement

at any time, in its sole and absolute discretion, by delivering written notice to the Contractor. In such event, Contractor shall only be paid for the services actually performed to the date of such written notice.

11.3 Reporting. Both parties hereby agree to comply with any reporting requirements that may be detailed herein.

This Arbitration Agreement constitutes a waiver of any right to a jury trial; and it also waives any right to proceed before any federal or state court or any federal or state administrative agency with regard to the disputes resolution. Said waivers are agreed to because the parties hereto prefer neutral and binding arbitration over any other means of dispute resolution. The neutral (retired Judge) arbitrator shall be mutually agreed upon by the parties; if such an Agreement is not promptly forthcoming, then the retired Judge to serve as arbitrator shall be selected by the Superior Court in accordance with the California Arbitration Act. The Mediator retired Judge shall be a different person from the arbitrator retired Judge unless the parties stipulate otherwise. The Mediator shall be mutually selected by the parties; however, if they are unable to agree, then the Mediator shall be selected by the arbitrator. The Mediator's fees and costs shall be shared equally by the parties. Communications during the Mediation process shall remain confidential and barred from introduction into evidence at the arbitration pursuant to the provisions of California Evidence Code §§ 1152 and 1119 and Fed. Rules of Evidence, Rule 408.
- 10.3 Petition to Compel Arbitration, and/or Petition To Enforce The Arbitrator's Award.** Notwithstanding anything herein to the contrary, if either party to this Agreement brings any court action or proceeding to either compel arbitration or to enforce an arbitration award, then the prevailing party shall be entitled to recover reasonable attorneys' fees as well as costs and expenses. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency's alleged incorrect action(s).
- 11.1.3** After termination, if the contractor does not agree with the Agency's justification for the termination, the contractor shall have ten (10) days to dispute, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with the Agency's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing the Agency's alleged incorrect action(s).
- 11.1.4** The response to any protest received shall be conducted in accordance with Section No. 4.0 of the *Instructions to Proposers and Contractors* document.

Housing Choice Voucher (HCV) Leasing Update

During the month of September, the following leasing activities took place for the HCV City and County programs.

HCV City

The following leasing activities took place in October, for the HCV City program.

- 8 families attended briefings to receive their vouchers.
- 142 HAP contracts were completed for families who leased up.
- 317 applicants and participants are currently searching for housing.

HCV County

The following leasing activities took place in October for the HCV County program.

- 755 initial eligibility interviews scheduled and 572 attended.
- 376 families attended briefings to receive their vouchers.
- 303 contracts were completed for families who leased up.
- 1,243 applicants and participants are searching for housing.

Leasing strategies and activities:

Applicants pulled from the HCV County waitlist are scheduled through November 20th for initial eligibility appointments. Staff recently reevaluated its success rates taking into consideration the tight rental market and longer search times. The new rates were applied to the HUD Two-Year Tools to assist with projecting leasing outcomes and adjust leasing strategies to maximize leasing potential. To assist the department with putting County vouchers on the street, temporary staff is still being utilized and have been extremely helpful with assisting our leasing team with reviewing applicant files to determine program eligibility and issue vouchers. Additional briefings were scheduled to prevent delays with issuing vouchers. Staff also continue to grant extensions on voucher search times. The new payment standards are being applied to all new HAP contracts and November Annual Reexaminations.

We continue to extend and grant extensions to families in the searching process. In some cases, we have extended past the 120 days as we work closely with the families in an attempt to successfully lease them

up. Staff continue to hold regular meetings to review both HAP and voucher utilization. On-going data assessments have been completed in an effort to maintain the leasing rates.

AMENDED

TO: Boards of Commissioners

Fresno Housing Authority

FROM: Preston Prince

CEO/Executive Director

DATE: November 27, 2018

BOARD MEETING: Nov 27, 2018

AGENDA ITEM: 7d

AUTHOR: Angie Nguyen

SUBJECT: Boys & Girls Clubs of Fresno Agreement 2019

Executive Summary

Fresno Housing (FH) and Boys & Girls Clubs of Fresno County (B&GC) has had a long partnership in provision of educational, social, recreational and character building services to youth and their families in public housing. B&GC currently provides after-school programming and youth development services in or near the following FH County residential communities: Del Rey, Firebaugh, Huron, Mendota, Orange Cove, Parlier, Pinedale, Reedley and Sanger. In the City, B&GC in East, West, Central and South Fresno, including Clovis are available for services to youth and their families.

FH allocates financial support to B&GC to support activities made available to FH public housing youth and families. Beginning in 2017, FH worked collaboratively with B&GC to create Work Plan Agreements; detailing performance expectations of B&GC activities and participation of FH youth and families. Activities are in the realms of Education, Wage Progression and Health and Wellness. At the October 2018 Board of Commissioners meeting, B&GC staff presented outcomes of their efforts, where results were, for the most part, either close to or above stated goals.

Similar Work Plans will be completed by January 1, 2019 and reflect the Boards' direction to include more impactful outcomes.

The information provided below includes both the Fresno Housing Authority commitments and the agreements with the Limited Partnerships (LPs). The LP commitments are not part of the overall agency budget, however, the information is included to provide a full scope of contracted services to the B&GC.

Funding

The following table outlines the two (2) current FY2018 agreements and the two (2) proposed FY2019 agreements directly between the Fresno Housing Authority and Boys & Girls Clubs of Fresno County. The fourth column denotes the differential between the FY2018 and FY2019 contracts that will be shifted to the Limited Partnerships (LPs).

Contract	2018 Amount	2019 Amount	Change from 2018
City	\$69,723	\$57,173	-\$12,550*
County	\$246,509	\$187,347	-\$59,162*
TOTAL	\$316,232	\$244,520	-\$71,712*

*the difference noted will be reflected in the LP agreements below.

The following table lists some of the Limited Partnerships that will also support the Boys & Girls Clubs of Fresno County through separate agreements in FY2019.

Contract	Amount Total
Mendota RAD	
Orange Cove RAD	
Southeast Fresno RAD	
Viking Village RAD	
Yosemite Village, LP	
Blossom Trail, LP	
Oak Grove, LP	
TOTAL	\$113,872

The table below lists the grand total in agreements between Fresno Housing, the Limited Partnerships, and the Boys & Girls Clubs of Fresno County.

Contract	Amount Total
City	\$57,173
County	\$187,347
Limited Partnerships	\$113,872
GRAND TOTAL	\$358,392

Analysis of data provided by the B&GC and our current available resources determined that it was necessary to shift funding sources in order to continue to support the B&GC in providing valuable

resources to our residents. Although there is a reduction in the Fresno Housing public funds commitment, the difference is shifted to its affiliates and Limited Partnerships.

Sources of Funding

Del Rey	Sequoia Courts	Orange Cove, RAD, LP

Pinedale	Fairview Heights Terrace	Viking Village RAD, LP

Recommendation

It is recommended the Board of Commissioners of the Housing Authority of the City of Fresno and the Board of Commissioners of the Housing Authority of Fresno County adopt the attached resolutions authorizing (a) execution of Service Agreements between FH and B&GC for the amounts noted above for 2019. Said agreements will include but not be limited to operating terms of January 1, 2019 to December 31, 2019 and work plans with goals and outcomes aligning to FH priorities of Education, Wage Progression and Health and Wellness.

Fiscal Impact

Low Income Housing Program Operating Funds and Limited Partnerships as stated above support the contracted amounts.

Background Information

B&GC is a well-respected nonprofit in the Fresno community providing the promotion of youth excellence in education and citizenship and prevention of risky behaviors; FH has enjoyed a long partnership with the organization. Nationally, B&GC have found success in their National Youth Outcomes Initiative, based on the philosophy that a positive Club experience leads to academic success, good character and citizenship and healthy lifestyles. Locally, B&GC follows this model with similar successful outcomes. FH and B&GC staff will complete work Plan Agreements for 2019 by January 1, 2019; with the goal of increasing FH youth and family participation and increasing opportunities for partnership with other providers, including but not limited to school districts.
